TYPE 9A-FORMBOARD™

FEATURES:

- The 9A-Formboard™ is suitable for all types of Department of Transportation Type 9A Pullboxes.
- For quick installation and removal, the 9A-Formboard™ has been designed and constructed as one single unit.
- The interior of the 9A-Formboard™ is completely routed to create a firm seal around the Type 9A Pullbox.
- All the edges of the 9A-Formboard™ are cut at a 45° angle to create chamfered edges, this presents a finished product that meets the Department of Transportation standards.
- All 9A Pullbox Formboards are designed and built per the 1988 and 1992 Department of Transportation standard specifications. Custom design and manufacturing also available.

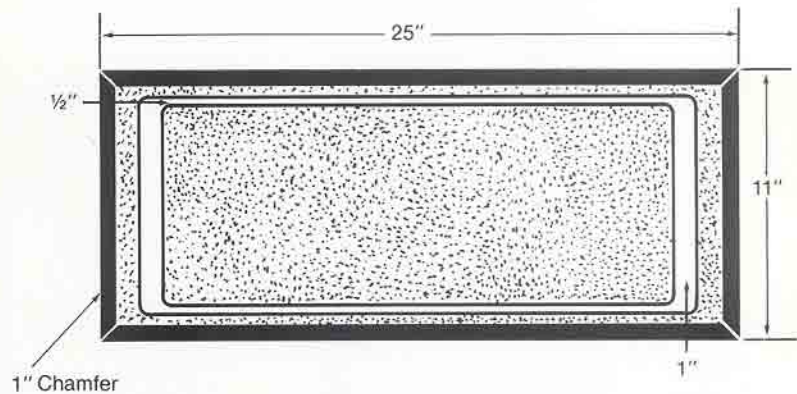

9A-FORMBOARD™
