

SPECIFICATIONS

All bollards are fabricated from extruded aluminum or cast aluminum. Each bollard is wired for the correct voltage and wattage per the agency specifications. Furnished with each bollard are four hot dip galvanized anchor bolts, Anchor bolt settings are provided to the customer with each shipment.

FINISH

Bollards are cleaned, etched and primed prior to painting. Standard colors are black, bronze, green or verde patina polyester powder coated or wet sprayed. Custom colors and special finishes are available.

*If required bollard is not shown please consult factory.

*Please consult factory for exact bollard dimensions.
