SPECIFICATIONS

All decorative bases are cast aluminum Type AA319.OF. Bases are available in split or one piece styles depending on the specified type. Custom logos and decorations are available upon request. Bases can also be cast in iron if specified. Please consult factory for exact dimensions.

*If required base is not shown please consult factory.

FINISH

Each Decorative style base is sand blasted, cleaned, etched and primed prior to painting. Standard colors for decorative bases are black, green, bronze or verde patina powder coated or wet sprayed. Custom colors and special finishes are available.

*Please consult factory for exact base dimensions.
