Cast Aluminum Cage

DECORATIVE GLOBE CAGES/BANDS

SPECIFICATIONS

Decorative globe cages are cast aluminum. Band styles are perforated from steel or brass material. Each decorative globe cage or band can accommodate any style globe. Custom cages and bands are also available upon request.

FINISH

All cages are cleaned, etched and primed. Standard colors for decorative globe cages/bands are black, bronze, green, or verde patina polyester powder coated or wet sprayed. Custom colors and special finishes are available.
